

Ryan White Part B Program - 2021

The Iowa Ryan White (RW) Part B program provides services to low-income Iowans living with HIV through the Client Services Program and the AIDS Drug Assistance Program (ADAP).

The **Client Services Program** provides a variety of support services designed to engage and retain clients in medical care.

The **ADAP** provides access to treatment by purchasing medications and health insurance for clients, or by wrapping around their existing health insurance.

ENGAGEMENT

At the end of 2021, there were **3,077** Iowans who were diagnosed and living with HIV.

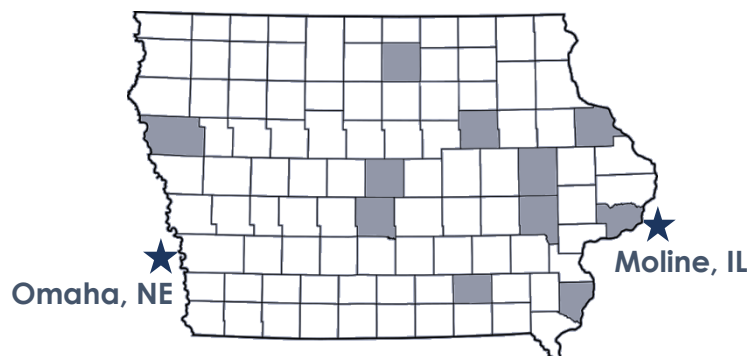

The RW Part B program served **2,175** clients (71% of all Iowans diagnosed and living with HIV).

The ADAP served **833** clients (27% of all Iowans diagnosed and living with HIV).

LOCATION

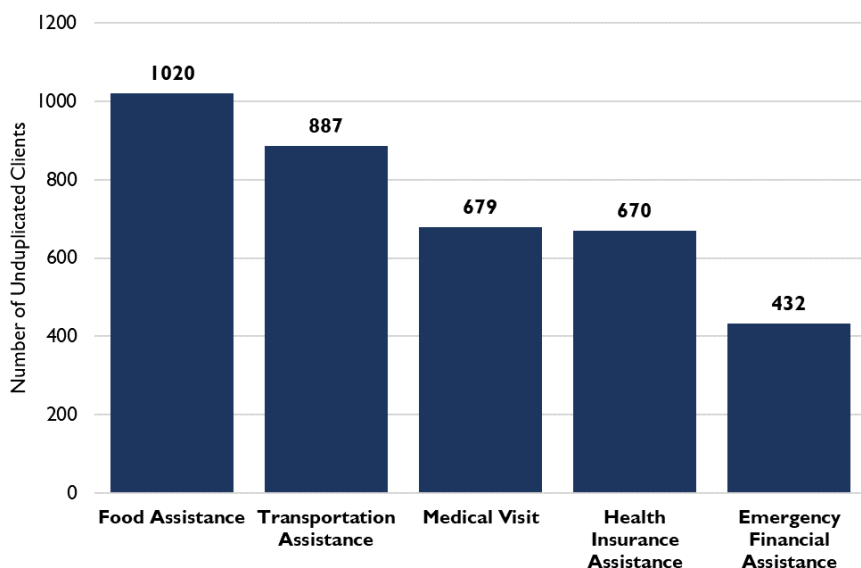

The RW Part B program directly contracted with 9 agencies across the state in 2021. Two agencies then subcontracted services with three additional agencies for a total of 12 organizations who provided RW Part B services.
