

State Opioid Response (SOR) in Iowa - Collateral Contacts Form

The SOR project requires a GPRA Follow Up interview be completed for each client. To assist with this requirement, obtain at least three collateral contacts from the client to help in locating the client six months after intake. Collateral contacts can be individuals that have regular contact with the client (e.g. family members, case workers, or probation officers). Obtain a release of information from the client for each collateral contact.

*Documentation of collateral contacts may be completed
in the ISMART system in lieu of completing this form.*
