ZUCCHINI

This summer squash has a mild flavor and is easy to find from July through September. You might even have friends and neighbors giving you garden-grown zucchini they can't use.

Zucchini cooks up quickly for a veggie side dish. Fast and fresh!

Sauteed Zucchini

1. Cut off both ends of the zucchini.
2. Cut in half the long way, then cut each half into pieces, about ½ - 1 inch.
3. Heat 1 tablespoon of vegetable or olive oil in a pan over medium heat.
4. Add the zucchini and stir occasionally. Cook for about 5 minutes until tender, but not mushy.
5. Season with a pinch of salt, pepper, oregano or garlic powder.
